

Lisa Marie Drawneek, RAD RTS

Dear Parents & Students,

On the attached papers, you will see a list of all the dances in the recital. They are in the recital order. The first page is Act I, the second page is Act II. Next to each dance is the color of tights (or socks) to be worn, shoes, hair styles and prop (if necessary). If there is nothing written under "shoes", then their regular dance shoes will be worn. Certain classes will have ballet slippers collected and spray painted, 5/9-5/14. All other shoes should be cleaned and/or polished or new. Hair styles are not definite because many will be decided when the costumes arrive.

If you already have the tights listed for your dance(es), and they are in good condition, then new ones do not need to be purchased. No shiny tights are allowed in the recital as they reflect the lights and detract from the dance. If your class has a prop that is not listed below, then no fee is due as these props belong to Leggz and are just being borrowed.
